TESTED AND PROVEN

Chem-Dry Removes:*

98%

of allergens from carpets and upholstery

89%

of airborne bacteria, improving indoor air quality

* Based on results from a study conducted by an independent laboratory using Chem-Dry's Hot Carbonating Extraction process. Allergens tested were dog and cat dander and dust mite allergen. Airborne bacteria results includes use of sanitizer. Figures are an average across multiple homes.

Drier.

- Uses 80% less water than typical steam cleaning
- Carpets dry in hours, not days

Cleaner.

- Harnessing the power of carbonation, bubbles penetrate to base of carpets and lift dirt and grime
- No detergents or phosphates, and thus no dirt-attracting residues
- Result is a deeper, longer lasting clean

Healthier.

- Green-Certified solution, *The Natural*®, is safe and non-toxic. In study by independent lab of Chem-Dry's
- proprietary Hot Carbonating Extraction process:
 - **Removed 98% of allergens from carpets & upholstery**
 - **Along with sanitizer, removed 89% of airborne bacteria**
